

## Go2Fun Boutique — A Brief Overview

# Go2Fun Boutique

The Go2Fun Boutique carries an inventory of **Future-Book Projects (FBP)** which deliver free uncopyrighted downloadable digital content in the form of **PDF** files.

An FBP is both a **product** and a **service**. The product is the end result of the service. That is, all the research, development and creation of the stories plus the addition of timely new content is an ongoing service.

The product is realized when you gain lifetime access to the Boutique for a small one-time Cover Charge.

Text + Graphics + Links + Audio-Video + Social Media.  
Available for any device or screen anytime the internet exists. It can be anything from acting like a super-book to downloading 3d printer files and software.

Access to *all* FBP's is via our spacious parking garage where a small one-time fee grants LIFETIME parking.

The “current” **parking fee** starts at **\$10.00** and increases for **NEW** members as content grows.

A “One & Done” payment for lifetime access. That’s it.

## FOUR PROJECTS

**My 65+ Years of Motoring.** Stories about adventurous and fun road trips where you're regaled with travel tales while behind the wheel of nearly 100 cars owned.

**Handle It!** This is our foundational theme and project. It's about living with radical CHAnGE brought about by relentless tsunamis coming at you from every ocean.

**RightSizing Your Life.** Getting everything in place so you won't ride off a cliff or get drowned by a tsunami.

**ENVY!** It's far more pervasive and destructive to your life than you imagined. Understanding envy is one of those things you wished you had known about earlier.

*Some pathways of life are not boring.  
They can be downright terrifying.  
You can't escape reality.  
No one is immune  
from CHAnGE.*

## **The Road Not Taken**

By Robert Frost

TWO roads diverged in a yellow wood,  
And sorry I could not travel both  
And be one traveler, long I stood  
And looked down one as far as I could  
To where it bent in the undergrowth;

Then took the other, as just as fair,  
And having perhaps the better claim,  
Because it was grassy and wanted wear;  
Though as for that the passing there  
Had worn them really about the same,

And both that morning equally lay  
In leaves no step had trodden black.  
Oh, I kept the first for another day!  
Yet knowing how way leads on to way,  
I doubted if I should ever come back.

I shall be telling this with a sigh  
Somewhere ages and ages hence:  
Two roads diverged in a wood, and I—  
I took the one less traveled by,  
And that has made all the difference.

**Make a difference in your life!**

*Come, take the path less traveled by — Goddess Serendipity awaits.*
